

# TRANSPORTATION FORM

In our efforts to reduce paper usage, we have switched to a new camp management system which will allow you to fill out the profile form and transportation form through our website. We encourage you to use this system rather than filling out the paper forms. If you have not already done so, go to islandlake.com, click on "Parents" and then "My CampMinder." You will be prompted to enter your email address. Then click on "Retrieve password." We recommend you then change the password to one you will remember! (If your children are returning campers, we suggest you use the same password that you use to access our summer photos and to send emails to your children.) This will give you access to the profile and transportation forms.
