

# VISITING DAY INFORMATION

---

VISITING DAY: Saturday, July 24<sup>th</sup> is the scheduled visiting day.

No prior notice is necessary for this visit, but please observe the following rules:

1. Please arrive no earlier than 9:30 A.M. Visiting Day ends at 3:30 P.M.
2. Please park your car in the parking lots. Cars cannot be brought into the camp.
3. **Leave your pets at home.** Some children are allergic to or frightened by them. They may not be brought into camp.
4. Smoking is not permitted on the camp grounds.
5. We are providing a buffet luncheon for all visitors. You are invited to join us in the dining room. Should you prefer, you may bring a picnic lunch or take your children out of camp for lunch.
6. Children leaving the camp grounds may do so with their parents only. You must sign them out and back in at the office. They must be back in camp and with their bunk by 3:30 P.M. Please **DO NOT** ask to keep your child out after 3:30 P.M.
7. If your child wishes to leave camp with another family, we must have your written permission. When you take someone else's child out of camp, and we do not have written permission from that child's parent, you are exposing yourself to litigation from that child's family.
8. Our camp grounds are hilly and the buildings are often great distances apart. Many grandparents have difficulty getting around our grounds. Please bear this in mind if you are planning to invite them.
9. Please use our directions to get to camp, or call for assistance. MapQuest and Google Maps get people lost in our area. There are directions to camp included in this folder.

At Island Lake, we strive to create an environment rich in experience, attention, fun, and individual achievement. Your cooperation will enable us to attain these goals and provide your child with a rewarding camp experience.

We're looking forward to seeing all of  
you this summer.
