

# Online Photos, Videos, & Email

This is a free service for Island Lake families. There will be no charge for viewing photos & videos or for sending standard text emails. There is an optional charge if you wish to insert borders, puzzles, and other special features into emails and for ordering photo prints and gifts.

If you need help with your online account, please call 303-444-CAMP

To get started, visit our homepage at [islandlake.com](http://islandlake.com) and click on “CampMinder Login”. You will be prompted to enter your email address and password. If this is your first time using the CampMinder system, just click on “First Time Users - Create Account.”

The Photo page allows you to view, buy, and share photos, as well as mark favorites. Click the icons below each photo to perform these actions.

While it is free to send standard plain-text emails, you may wish to purchase CampStamps. For example, standard emails without any add-ons like stationary, photos, & Sudoku puzzles are free, while emails that include add-ons will use a number of CampStamps based on the features you select.

By clicking the “Guest Accounts” icon you can create accounts for family members and friends to view photos and send emails. If you would like your guest to be able to email your child, check the appropriate box. After you create the account, your guest will receive an email with their login information.

Are you following us on social media? Island Lake is everywhere now so join us on all of our social networking pages. If you aren't already following us everywhere, here are the social media sites that ILC is a part of:
